Issue No 264- September 2020

**Hi Everyone,**

We are sending out this Newsletter whilst most of us are again under 'lockdown' restrictions.

This is a way of life none of us want, but we all realise that we cannot risk becoming victims of the virus or, for that matter, any other illness.

We are now in the time of the year when flu jabs will also be necessary and doctors and surgeries will be getting ready to see us – all poised with the needle!!

Because of the re-imposed lockdown, the Committee has not been able to meet but Gwyneth has contacted each committee member and have agreed that consideration around ways of keeping the Group together cannot be dealt with until the Stroke Association and the Church authorities update us with their requirements.

We can only await the guidance from the Stroke Association and Church, and you will be updated as soon as possible.

Gwyneth received 6 calls, did not answer, and with a nephew's help, was able to remove the calls. She was also told that there is an ongoing investigation into the organisers of these calls.
