Issue No 268- January 2021

Happy and Safe 2021 Everyone!

The coldness and wetness have ensured we know it's winter, although a 'winter wonderland' is beautiful it is not altogether helpful to our Group.

We hope you have been able to stay safe and that the restrictions have not allowed you to feel alone.

Thank you to everyone who sent back the voting forms for the election of the Committee, which means that we will continue into 2021 with the re-election of the previous Committee. Unfortunately, we cannot hold the Annual General Meeting in February, but we will co-opt Rosemary Balshaw and Sheila Pinder until this can be ratified at the AGM at a later date.

Let us all look forward to the light at the end of this tunnel when we can all meet again.

You grow old when you stop laughing.**

That's my first trip booked for 2021. I'm hopefully off to Iceland in February. If that goes well, I'll probably look at going to Sainsbury's in March.

I never thought the comment 'I wouldn't touch him/her a with a 6 - foot pole' would become national policy, but here we are!

Does anyone know if we can take showers yet or should we just keep washing our hands?

Never could I have imagined I would go into a bank with a mask on and ask for money!

2019: Stay away from negative people.

2020: Stay away from positive people.

I need to practise social distancing from the refrigerator.

Every few days try your jeans on just to make sure they fit. Pyjamas will have you believe all is well in the kingdom.
