Issue No 269- February 2021

Hi Everyone

Firstly, apologies for the gaps on the first page of our January newsletter. Linda had a technical problem which she described as a malfunction but has now realised was user error!

Secondly thanks again to all who returned completed voting forms. You did your bit but unfortunately weather and other conditions meant there was a little delay in Gwyneth receiving them. The result is that all the Committee have been re-elected. As an affiliated Group to the Stroke Association, as we were unable to hold our Annual General Meeting, we took advice from Pam and Kathryn from the Bolton Stroke Association Office, the regional office in Salford, and also Head Office. The Stroke Association has assured us that we have acted responsibly and legally. Pam Bann is the nominated officer looking after Bolton and Stockport matters, so we are in safe hands and can continue our relationship..

If you need any help or assistance regarding your Stroke do not hesitate to call their helpline on **0303 3033 100** or email helpline@stroke.org.uk.

Many of us have had our first vaccine and now await the call for the second one. So, let's get it done and look forward to the Spring.

HUMOUR SECTION

**Always remember this: You do not stop laughing because you grow old.
You grow old when you stop laughing.**

I had a happy childhood.
My Dad used to put me in
tires and roll me down
hills. Those were
Goodyears.....

Scientists have now confirmed that
women who have put on weight during
the COVID lockdown live longer than men
who mention it.

My friend has just been admitted to
hospital. He made a chilli con carne
last night and accidently used
daffodil bulbs instead of shallots.
The doctor said he should be out in
the spring.

Wearing a mask inside your
home is now highly
recommended. Not so much
to prevent the spread the
spread of the virus but to stop
you eating!

I don'y fink any parentz shud be sendin
there kidz back to scool.... I missed
many weaks and it did not do me now
arm!
