Issue No 271 - April 2021

### Hi Everyone

Before writing this Newsletter Gwyneth checked with the Bolton Stroke Association Office about future activities we might be able to undertake when the COVID restrictions lessen further. As yet, there is no official guidance.

Pam was pleased to know that we are able to send out a Newsletter once a month and has again assured us that she will contact us as soon as she is able to do so.

In the meantime we hope that you have been able to take advantage of the sunny warm days and to hear the variety of birdsong which is beginning to happen. As the lockdown rules have changed in April we can now get a haircut, meet friends and family outside at pubs and cafes, go shopping and use gyms and swimming pools.

However, there are still rules about keeping apart and mixing with people. No more than six people to meet and no more than two households.

If you are feeling a little isolated or unhappy do not hesitate to ring Gwyneth on 07592 904021. If she is not immediately available, leave your name and number and she will contact you.
