Issue No 274 – July 2021

### Hi Everyone!

We opened the June newsletter saying that Bolton and the North West were showing reductions in the rate of COVID and this is continuing. In Bolton 64.2% of the population have had two vaccinations and together with additional testing and safe practises let's hope this continues.

Great news now summer is here, although India has lost much of its tea growing ability due to drought, floods and COVID restrictions so sometime in the future – the price of tea will rise. OMG!!
